To all of our suppliers

Rules regarding arrival consignments/deliveries to us

In order for us to be able to ensure the material handling regarding arriving goods to us we **require** that the following rules be observed:

- Only consignments that are correctly advised will be unloaded.
- Unadvised consignments will only be unloaded **if our schedule allow it**.
- All arriving consignments **must** contain correct documents, containing the following information, otherwise we can't unload the goods:
 - Our Purchasenumbr
 - Our supplier's name
 - Materialname
 - Netweight and grossweight per material
 - Lotnumber/batchnumber
- An unloading hour **must** be booked **no later than the day before arrival** via
